M.R.P ₹- 115,000.00

Product Features

1. With the technology of encoder, brush less motor, worms and gears, the ultra quiet operation is achieved.
2. With multi-functional interface and versatile remote control technology, the functions of double door interlock and position feedback, etc. are realized.
3. Push and open function and safety protection function (preventing the door from counterclockwise closing when it is blocked) are designed.
4. It can be matched with manual remote control, sensor, buttons, and door control etc.
